This is a: X monthly ___ interim ___ final application

In accordance with the *Order Authorizing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (Dkt. No. 796) (the “Interim Compensation Order”)² McAndrews, Held & Malloy, Ltd. (“McAndrews”) hereby submits this first monthly fee statement (the “First Monthly Fee Statement”), seeking compensation for services rendered and reimbursement of expenses incurred as intellectual property attorneys to the Debtors, for the period from October 15, 2018 through December 31, 2018 (the “First Monthly Fee Period”).

As noted in more detail in McAndrews’ retention application and accompanying declarations, McAndrews has served as Sears’s primary intellectual

² Unless otherwise defined, capitalized terms used herein shall have the meanings ascribed to them in the Interim Compensation Order.

property counsel for almost seven years. McAndrews has been retained by this Court to provide – and pursuant to this First Monthly Fee Statement seeks payment for – the following IP services:

1. The Fixed Fee Services: Paragraph 10 of McAndrews’ Retention Application identifies several “Fixed Fee Services” (e.g., preparation and prosecution of new trademark/copyright applications, monitoring significant trademarks for Debtors) for which Debtors pay an annual fixed fee amount (currently \$525,000). Attached as Exhibits A1-A3 are copies of invoices providing details of such Fixed Fee Services for (i) October 15–31, 2018; (ii) November 2018 and (iii) December 2018, respectively. For October, the monthly fixed fee amount (\$43,750) was prorated to only include post-petition time. To the extent that the billed time exceeded \$43,750 for any given month, McAndrews applied a discount so that the final billed amount was \$43,750.³

2. The Flat Fee Services: In addition to the Fixed Fee Services, McAndrews handles the preparation, filing and prosecution of Sears’s patent applications worldwide (the “Flat Fee Services”). McAndrews has set caps for particular prosecution-related actions (e.g., filing a provisional patent application

³ McAndrews’ rates are discounted by at least 20% for all Fixed Fee Services. The annual fixed fee for June 2017 – May 2018 was \$500,000; that number increased to \$525,000 for June 2018 – May 2019. Thus, the prorated fixed fee amount for the 2018 calendar year was about \$514,500. McAndrews’ “pre-discount” Fixed Fee billings for 2018 were about \$582,500. Thus, for the year, Sears received roughly an additional 12% discount over and above McAndrews’ already reduced rates.

or responding to an office action). Attached as Exhibits B1-B3 are copies of invoices providing details of such Flat Fee Services for (i) October 15–31, 2018; (ii) November 2018 and (iii) December 2018, respectively. To the extent that the billed time exceeded a given cap, McAndrews applied a discount so that the final billed amount equaled the cap.

3. The Off-the-Fixed Fee Services: Finally, McAndrews has assisted in several IP-related matters not included in the Fixed Fee or Flat Fee Services (hereinafter, the “Off-the-Fixed Fee Services”). Over the past few months, this work has included, for example, assisting with (i) the preparation of IP schedules for DIP financing and IP-monetization efforts (e.g., the sale of SHIP); (ii) IP-related claims and litigation matters; and (iii) trademark clearance and opinions. Attached as Exhibits C1-C3 are copies of invoices providing details of such Off-the-Fixed Fee Services for (i) October 15–31, 2018; (ii) November 2018 and (iii) December 2018, respectively. For each of these invoices, McAndrews has charged a discounted rate (of at least 20%) previously agreed to by the parties.

4. Below is a chart identifying the MHM employees that provided the foregoing services:
